4" DL HEARTTECH (SANDALWOOD)

HeartTech gives your home the beauty, style, and low-maintenance exterior you need for today's busy lifestyle. From the soft hues of Birchwood - a color in ProVia's Lifestyle Collection - to the warm, rich tones of Canyon in ProVia's Signature Collection, we offer HeartTech siding in an attractive color palette. HeartTech is formulated to withstand a series of stringent tests that ensure color richness and beauty is maintained over many years of harsh exposure.
