ANCHOR DIAMOND STEP (ANTIQUÉ BLEND)

6" Rise step unit for Anchor Diamond® wall projects. The dependability of Diamond® retaining wall systems has made them the preferred choice for decades. Aesthetically, the natural rock texture and earth tone colors blend easily into any environment. The Diamond Retaining Wall System, Straight Face can be used with geosynthetic reinforcement for tall-wall applications. The straight-split face block retaining wall system provides clean lines for a wide range of retaining wall projects. Optional step and cap accessories provide even more design versatility. For an attractive retaining wall with enduring performance, the Diamond product is the perfect choice.
