BARNWOOD BLUE SIENA THIN VENEER 50 LINEAR FOOT BIG BOX

The historic appearance of randomly layered stone is created with heights from 2" to 6" and lengths from 4" to 16" for both full and thin veneer stone. Its natural stone color range includes grays, dark grays, charcoals, whites, blues, tans with occasional greens, buffs, and blacks. The resulting blend of natural stone (schist) pieces has a similar look to a granite stone veneer.
