## **BEACON HILL™ SMOOTH FOSSIL BUNDLE 93.62 SQUARE FOOT**

The popularity of Beacon Hill Flagstone sizes inspired the creation of Beacon Hill Smooth. Offered in the same random bundle sizes and a larger, XL rectangle unit, this version of Beacon Hill offers a smooth surface texture for a sleek, modern look. Beacon Hill Smooth also offers a more contemporary color palette, including monochromatic color choices. Ideal for patios, pool surrounds and walkways, Beacon Hill Smooth offers the refined surface and long lasting color of Enduracolor.
