

FURRION 65" Smart Outdoor TV - Full Sun - 1000 nits

Designed to deliver a stunning viewing experience, the Furrion Aurora 4K outdoor smart TV is ideal for outdoor entertainment. It features a 4K ultra-high definition (UHD), 750-nit LED screen that delivers a crystal-clear image and an ultra-bright picture at four times the resolution of full HD. This particular full sun model is designed for sunny outdoor living areas such as a patio, deck or yard.
