## PROVIA DRYSTACK HURON 12.5 SQUARE FOOT HANDIPACK

Stacked stone is a popular choice for a variety of exterior and interior applications. With no grout required, this is often the preferred material choice for DIY projects. ProVia's stacked stone is a popular choice because of the careful craftsmanship of each stone to ensure the various profiles can easily fit together and that there are enough colors and shapes to construct appealing and natural-looking patterns.

**SKU** 15941

---
