SPALTED OAK ASHLAR THIN VENEER 8 LINEAR FOOT HANDIPACK

The finest masonry units of dressed and cut stones that are worked until squared. Capable of thin joints between stones, the linear appearance of an ashlar pattern stone installation results in the most traditional natural stone masonry application. Pieces range in heights from 1/2" to 6" and lengths from 6" up to 24" for both full and thin veneer stone. Its natural stone color range consists of grays, tans, charcoals, whites, buffs, blues, dark grays, beiges with occasional oranges, browns, and blacks.

SKU 17109

Brand BSC
