## UNIVERSAL BASE UNIT

Our Universal Coping and Base Pad are an excellent complement to wall projects. Start with the Base Pad, installed underneath your wall project to provide a consistently level surface on which to build. Then, top off your project with coping made using Enduracolor manufacturing technology, for a refined surface and long-lasting color.

**SKU** 15293

**Brand** UNILOCK

**Application/Use** Base

## Size

**Length** field\_5f0eaf7153f60

**Width** field\_5f0eaf8253f62

**Thickness** 2"

**Height** field\_5f0eaf8c53f63

## Characteristics

**Color** Light Gray

**Material** Concrete

## Data

**Units per Bundle** 54

## Coverage & Weight
